

COLLABORATIVE / SUPERINTENDENT'S MEETING

DATE: WEDNESDAY, JULY 11, 2007
PLACE: M.S.A.D. #16 CENTRAL OFFICE
TIME: 2:30 PM

PRESENT: Superintendent Don Siviski, Superintendent Martha Witham, Superintendent Frank Boynton, Superintendent Steve Cottrell and Superintendent Richard Cote

Rick Cote shared a summary of a recent meeting with Union 47/Bath and learned how the coastal RSU planned to address new school construction, school choice and school closure as well as “ward” governance models.

Superintendents discussed the facilitator list published by the DOE and an additional listing not yet published. After excluding candidates with prior area experience which could result in a biased opinion and personal knowledge of the strengths and weaknesses the group decided to wait until the next facilitator training was completed and an updated list published.

It was also suggested that letters of intent and various options included by each participating district be both similar and submitted at the same time in August.

The meeting adjourned at 3:30 p.m.

Respectfully submitted,

Donald L. Siviski
Superintendent of Schools
