\*The initial terms that will last 1 ½ years, 2 ½ years, and 3 ½ years since members of the RSU Board of Directors will begin their work in January 2009 after a December 2008 election. The six months period between January 2009 and July 2009 will be a transition period where existing School Committees/Boards of Directors will be completing their duties and the RSU Board of Directors will be beginning their responsibilities.

Note: The only time there will be candidates running for 1 ½, 2 ½, and 3 ½ years terms will be during the initial eleven-member election. Thereafter, all terms will be for a three-year duration. No one election year will see more than four of the eleven seats open nor will any town/city have more than one contested seat.
